MEMORANDUM

TO: Superintendents and Charter School Sponsors

FROM: Debra Hinline, Director
Office of Financial Management, Analysis, and Reporting

DATE: October 27, 2006

SUBJECT: Textbook Reimbursement

This memo is a reminder to all Corporations and Charter Schools that there is a statutory deadline for the submission of your textbook reimbursement claim to the state. That date is midnight October 31st.

Attached is a list of those Corporations and Charters that have not submitted as of this morning. Please review the list and take appropriate actions, to assure your Corporation or Charter does not miss the filing deadline.

Remember that the submission of both the student data and the claim form is through the Application Center this year. Instructions for this submission were provided to schools in August and are also posted on the following website: http://www.doe.state.in.us/finance/textbook_reimbursement.html
The data layout for this submission can be found at:
http://www.doe.state.in.us/stn/pdf/textbook_reimbursement.pdf

If you need further assistance, please contact us. Please do not call the office and ask for an extension for filing this report as there are not exceptions to the October 31st deadline.
